NEW BUSINESS:

Mayor Walls introduced Resolution 2496, a Resolution authorizing the Village Administrator to prepare and submit an application to participate in the Ohio Public Works Commission State Capital Improvement and/or local transportation improvement program (s) and execute contracts as required and declaring an emergency. Mayor Walls read resolution 2496. Mayor Walls asked if any further discussion needed to be had. Village Administrator Kohlrieser stated the OPWC grant funding comes to municipalities once every three years and the grant would be for \$160,000. With the grant dollars, Administrator Kohlrieser plans to pave the following roads: Thomas, Clayton, Richard, Elizabeth and East Sugar Street. Kohlrieser also stated that these are the worst roads in town, and they were chipped and sealed over nine years ago so now is the time to get them repaved. The estimated total of the project is roughly \$182,584.00 before grant dollars, but with a 10% match the project will cost the village roughly \$35,000.00. Motion to pass Resolution 2496 was made by Lauck and seconded by Bailey. Motion passed 6-0.

Motion to adjourn was made by Thompson and seconded by West. Motion passed 6-0.
