Streets: Dorance Thompson stated that there were a few minor parking issues along N. Gay St. with the new parking pattern but motorists have since complied with the changes making it safer for those driving as well as parking. Stacey Cook brought up someone parking against the flow of traffic across the street across from her house. She sees people parking on the wrong side of the street and even people parking in their yards now. She will look into it further.

OLD BUSINESS:

Mayor Walls introduced **ORDINANCE #1701 ESTABLISHING CERTAIN RATES OF PAY, HEALTH AND HOSPITALIZATION INSURANCE, SICK LEAVE, PAID HOLIDAYS AND VACATION FOR ALL NON-ELECTED VILLAGE EMPLOYEES FOR THE YEAR 2022 FOR THE THIRD OF THREE READINGS.** Mayor Walls said he asked Susan Bassitt to add a paragraph in section eight addressing when an employee receives their first week of vacation. In determining the number of years an employee has worked for the Village, the first calendar year (January-December) an employee worked more than six (6) months shall be considered their first year of employment. If an employee works less than six (6) months in their first calendar year, they shall be entitled to a prorated number of vacation hours on their one year anniversary date of hire which must be used before the end of the current year. The employee will then be awarded vacation time on January 1st of every year thereafter. All vacation hours are expected to be used in the year in which they are earned. And are not to be paid out or rolled over to the following year unless specifically approved by Council. (The pay ordinance goes into effect the first full pay of the year.)
